To : All AMH Members and Port Stakeholders

From : The Secretariat Office AMH

Dear All,

RE: KLANG DISTRICT AND PORT KLANG FLASH FLOOD

Kindly be informed due to the disaster of heavy pouring rain, Klang and Port Klang is one of the badly affected areas by the flash flood.

The logistics industry will be surely down and many of our staff including drivers' houses are flooded, logistics operations surely will slow and we may not know how long this disaster might prolong.

The movement of our staff, drivers and routine haulage movement might stop/slow at this moment.

We will monitor the situation closely and update all on any status available.

Your understanding is very much appreciated.

“TOGETHER WE ARE STRONGER”
“HAULAGE PROGRESS, NATION DEVELOPED”

Thank you.

Yours Sincerely,
ASSOCIATION OF MALAYSIAN HAULIERS
